2023 Season

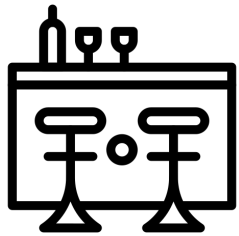

Red Panda Partnership Limited

## Range of services

Red Panda Bar and Event Hire offer a range of different services from simple bar hire, all the way to full-service event management, using a range of different assets

### Bar hire only

Delivery and hire of one of our full kitted bars, including fridges, glassware, and equipment. No drinks or staff are provided

### Bar hire and alcohol purchase

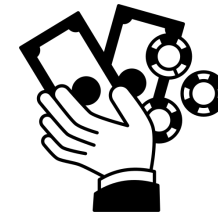

Delivery and hire of one of our full kitted bars, including fridges, glassware, and equipment.

Purchase of a range of alcoholic and soft drinks to be served in your bar, available at our fantastic wholesale prices

### Bar hire, alcohol, and staffing

Everything included in bar hire and alcohol purchase, but we also provide our full-trained bar staff to run your bar

### Full service, minimum spend

For large events, it may be possible to get your bar for free!

If the event is large enough and you wish for your guests to pay for their own drinks, then we can offer a full-service bar with a minimum spend

Red Panda Bar and Event Hire

## Range of bars

Red Panda Bar and Event Hire have three different unique and stunning bars available

### The 'horsebox'

A standard size horsebox, which can be towed into most locations.

It has two bar areas, four beer lines, fridges, ice machines, fully-stocked bar equipment and can handle two staff at once.

Ideal for events of 20 – 50 people in smaller locations with limited range of drinks

### The 'horse lorry'

An old school horse lorry, which can be driven to most location.

It has one single large bar area, accessible via the ramp, three beer lines, fridges, ice machines, fully-stocked bar equipment and handle three staff at once.

Ideal for events of 50 – 100 people, when you want a larger range of drinks.

### The 'bus'

Our original bar and a real showstopper; a fully –converted double-decker bus.

It has one large bar area downstairs, up to eight beer lines, huge range of fridges and equipment and a large upstairs seating area.

Ideal for larger events or festivals.
